An aerial photograph of the Orange Glen High School campus. The main building is a large, dark-colored structure with a prominent curved roofline. To its left is a smaller, light-colored rectangular building. In front of the main building is a large, paved area with several trees and a circular driveway or entrance. The surrounding land is mostly green grass and some other buildings are visible in the background.

For The Clock Still Clicks Forward

Although our times together are ending, the future holds many memories to come with different people and places and many experiences not yet said and done.

For the clock still clicks forward and the seconds roll forth, but life has many more lessons still yours to seek. The passages of time we follow and the friendships we choose, whether with lingering doubt or predicated foresight, the future must penetrate.

The responsibility still remains ours to venture ahead and determine our goals and realities, based upon our wants and needs, for all of our futures revolve about all of today's exerted effort and all of tomorrow's outcome.

Consider Today's Time Passing,

We should make the most of dealings with people because these specific dealings will provide comparisons that will further our accuracy in future decisions and personal judgements, still ours to seek.

These experiences we undertake whether in groups, as in athletic teams or individually, serves to perfect our potential as apprentices of the working world. Through the understanding of already-encountered people and places we can compare all facets of our personalities in order to use this gained perspective in climbing the established order of life.

Preserve Today's Making Of Memories,

For many, the passage of time is either remembered by special friendships or particular events that will always provide meaningful recollections. In the moments and years to come we must use those positive memories in order to learn what will make us happy in the future. We can do this by comparing what didn't measure up to our individual standards in the past, whether because these standards were but equal within our personal relationships or with the activities we chose to involve ourselves in. The analyzing of our expectations will always give us judgement, hope, and expand our continual process of growth as a person.

Orange Glen captured a record number of awards and several members went on to Houston for the national DECA conference. Orange Glen was once again rated as one of the top chapters in the state. School Board—A Change In Scene

The Escondido Union High School District welcomes Dr. Forest M. Fouts as new superintendent, following the retirement of Bud Quade last year. Dr. Fouts was the superintendent at South Pasadena since 1967 and has been in the field of education since 1947.

The board of trustees are: Charlotte Hotchkiss, president; Wilbur Bradley, vice president; Robert Sikes, clerk; Mark Steinbeck, student member; William Ulman and Stanley Peters, members.

The Main Stream Of Our School

As the 1979 school year draws to a close, we all are offered an opportunity to look where we are now and where we are going in the years ahead. It doesn't make much difference if you are a senior faced with decisions concerning work, college, marriage or just loafing; or a freshman thinking about what classes to take next year. It is important, however, that you take an occasional stock of yourself to see if you are really pleased with your progress in the game of life. If you feel some changes are needed, do something now, so in the years to come you won't find yourself saying—if I only had to do it over again, I would...

Seniors of 1979 may have overshadowed seniors prior to them—with Senior Ditch Day, all of us frolicking in the snow, the renewal of the powderpuff game and kicking up our heels on Disco 10. Other activities knitted our class together, such as: those daily lunch experiences at Burger King, the kidnap breakfast for those involved in powderpuff and the friendships we've shared has made the class of 1979 a year for all to remember.

Junior Senators Help Organize . . .

This year's Junior Senators worked hard at getting the float together. They had a few problems but everything worked out great. The float won first place during the Homecoming ceremony.

The senators are working hard for us and will continue to. They are trying to make this year the best one ever. They have a good chance too because everything has been great, especially the Homecoming.

A. John Roberts poses for the picture. B. Junior senators show their skill. C. Senators peer out at anyone who will look. D. Left to right are: Mark Larson, Mitch Perdue, Lisa Toler and Sarita Matson.

... And Are Caught In The Act

The Juniors this year are high in spirit. They can't wait 'till they rule the campus. Only one more year to wait, though it seems like yesterday when they were freshmen.

Their spirit proved itself on the float; it was hard work and they put a lot of effort into it.

STUDENT LIFE

As time goes on, one must look at school as an important learning factor, essential for our goals and fantasies for the later years to come. It not only involves knowledge, but the friendships one has acquired, memories of times that were shared, and achievements one has settled within oneself. Without memories, time may as well be lost. As unique and different as we all are, we owe it to ourselves to gather these memories and put them under lock and key, and wait for the right time, when once again these memories might be shared.

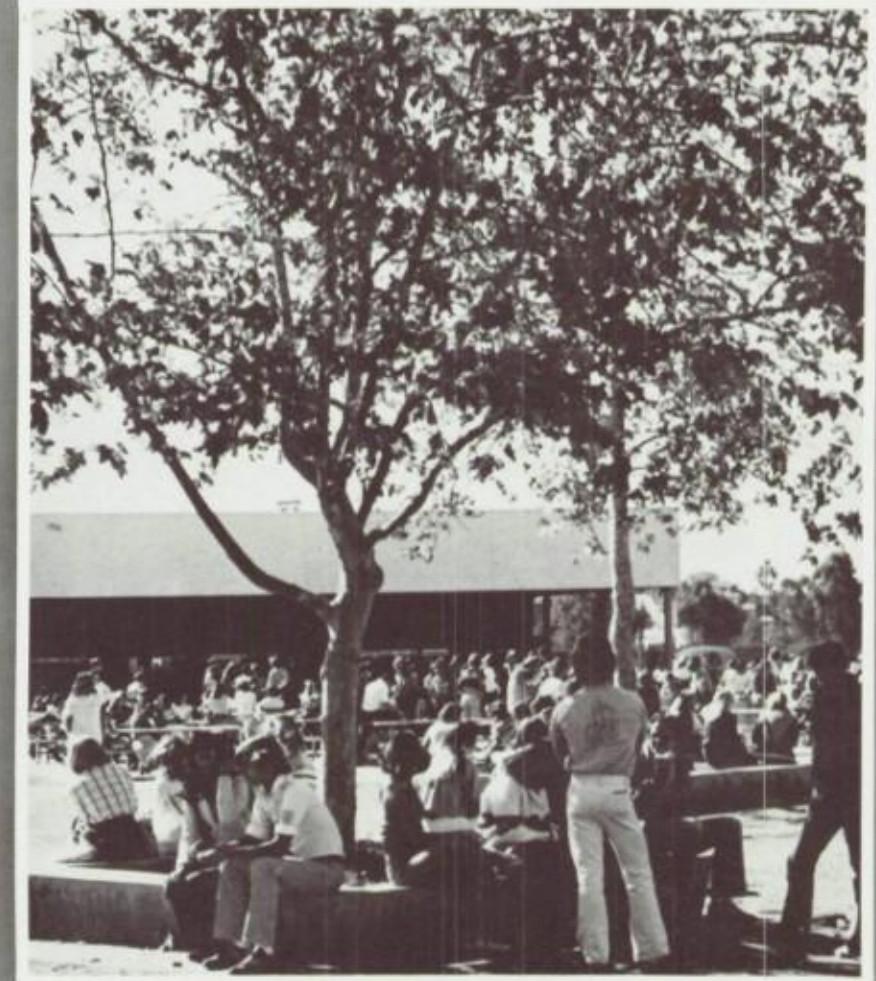

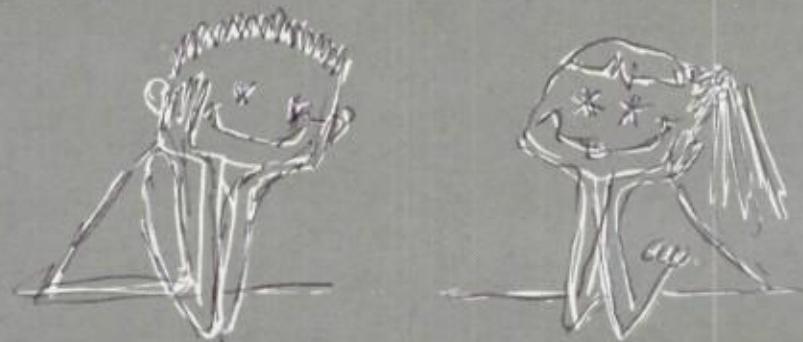

Cathy,
I am glad I met you this year it
was been fun in P.E. Hope we have
some classes together. Have a Bitchen
summer.

Sincerely Freda Short

I HAVE NO YESTERDAYS, TIME
TOOK THEM AWAY, BUT THEY
WILL NOT BE FORGOTTEN. TO-
MORROW MAY NOT BE OF MUCH
VALUE, BUT I HAVE TODAY.
I Love
this
saying

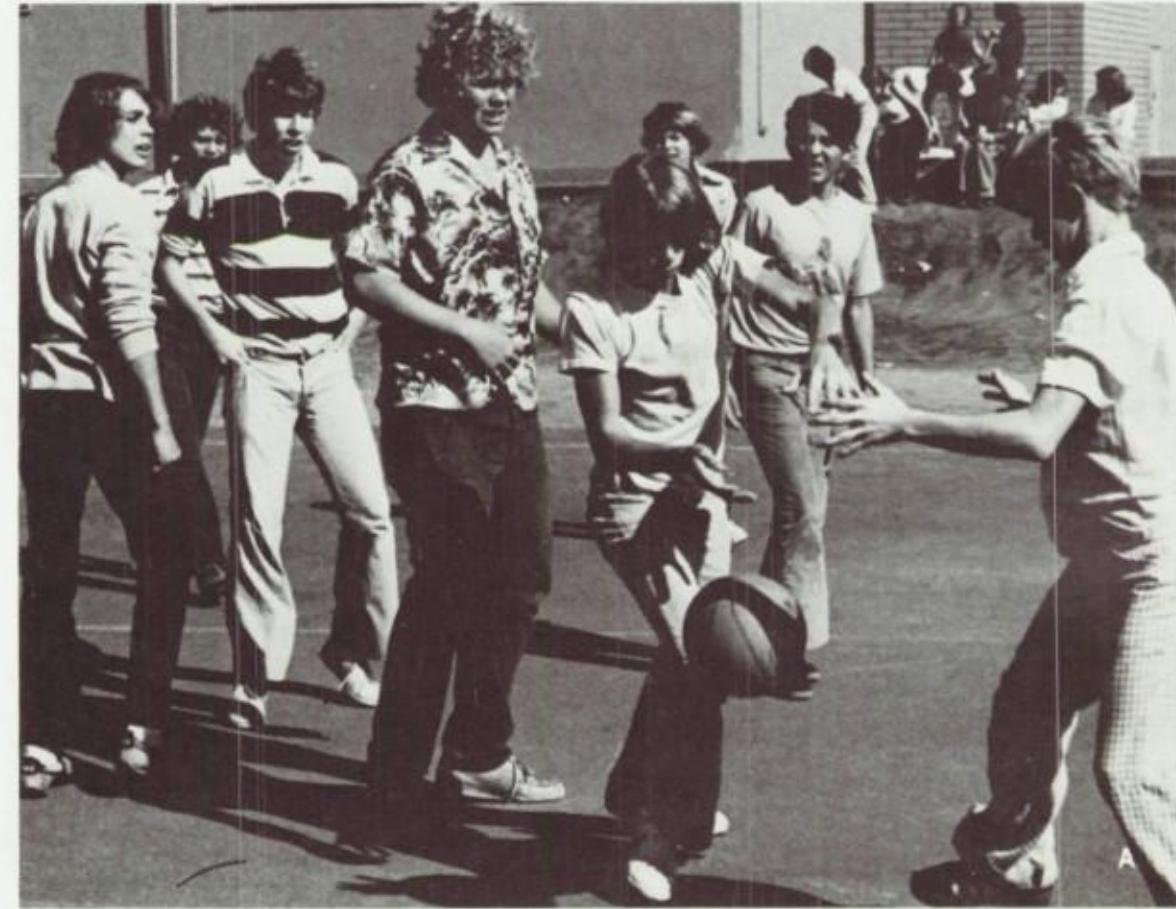

Time Brings

- A. Parking lot on Senior ditch day.
- B. Orange Glen babes show off legs.
- C. Debbie Hett wonders if she's in the right line.
- D. Ginger Stockwell paints her innermost feelings.

Students Together

A. Underclassmen show hidden talents.
B. Juniors show patriotism during Homecoming rally.

Spirit Rises To New Heights

Spirit is evident in all phases of life at Orange Glen. Our spirit rises with each year we spend here.

Breaking with tradition we used class floats in our Homecoming ceremonies this year. Also the class of 1978 returned to O.G. this year and left a monument to our school—a whales' tail. OG spirit has really shown through this year and a good time was had by all.

Patriot Pride Prevails

A. The Sophomore class shows their spirit during the Homecoming Pep Rally.

B. A few of the proud Junior class show off their prize-winning float before Homecoming.

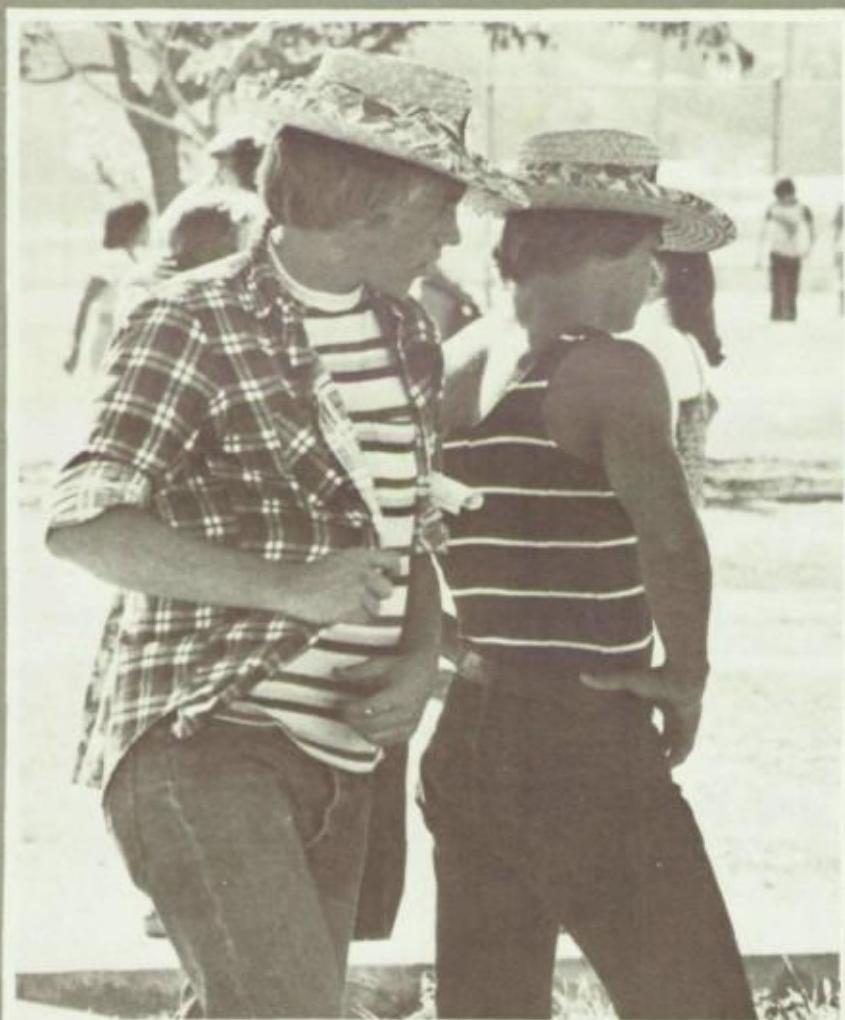

C. Students are awed by Whale's Tail, the class of 1978's gift to O.G.

D. Ken Leisten and his friend look over the daily bulletin.

E. School spirit is shown as the Alma Mater is sung at football game.

SOPHOMORES —

A TOUCH OF CLASS

Sophomores Kick Back

The class of '81' had a less disturbing year than last year as freshmen. Being able to sit quietly was just something Sophs hadn't been used to. The Sophomore Class was starting to feel a little at ease, and weren't trying to impress anyone but themselves.

Class Of '81' Shines On . . .

Sophomores seemed to show a lot of spirit during spirit week. Dressing up like cowboys and Indians, little kids, 50's, twins and Hawaiian style were all examples of the spirit the Sophomore Class had. To the J.V. team's advantage many participated in the spirit.

Visions Of Red, White And Blue

The Patriot freshmen are enthusiastic in every way. They respect their colors and they are proud to be one of Orange Glen Patriots. Always ready for action, the freshmen show hopes of great people for years to come.

B

A. Brian Lawrence and Jeff Tedford talk about girls which they both do very well. B. Bruce Wise walks across campus on Halloween dress-up day. C. Estella Leyva and Christina Norbeck are watching boys walk by during lunch. D. At lunch and before school the guys play a game called butts-up! Typical freshman activity!

Freshmen Carry On Old Traditions

The freshmen class of 1978-'79 is an asset to Orange Glen. They are willing to put out efforts toward any project. They are also willing to take the time to do things right. They have carried out the always-remembered tradition at Orange Glen.

A. Jerry Holden asks, "Are you bugging me again?" B. Jimmy Jimenez and Robert Jones stand in line at the student store during lunch. C. Meredith Lueken and Karen Huie move their way through the crowd to make it to class on time.

Times Have Not Changed

Looking forward to four more years at Orange Glen, the Freshman class has not changed the old styles that have been around in the past years. They have school spirit and will hopefully keep it for years to come. The transition has been easy for the freshmen mainly because it is almost the same as junior high. But in many ways it is different.

A. An antique cannon shows that times have not changed, only that they have gotten better.

ORGANIZATIONS

School is not only a place to acquire knowledge but a place to spend time with your friends, and one of the ways would be through a club or organizations. In clubs, the people get a chance to be with others, share their ideas, and to be able to work well with other people. These clubs accomplish goals, mainly raising money so the club can do various activities, and go on different trips. Whatever their goals are, the clubs unite together as a whole to become a member of our society.

Idey Day - too bad things with little god didn't work out! Next year you can, move on to bigger and better things! Even tho' we've had a few differences but, other than that we get along fine! ASB Comes Up With Extraordinary Ideas

A.S.B. this year may have encountered a few problems with proposition 13 and with Homecoming balloons decided on at the last minute. But all in all, it was a pretty good year, with a few extraordinary ideas.

The officers are John Sowers, president; Lori Prescott, vice president; Barry Bennet, treasurer; and Kathy Freitas, secretary. Sophomores also contributed to a great year, with the sophomore float theme "Over the Rainbow," and the distribution of the class

rings. Already in the planning stages the sophomores hope to make their Prom next year a successful one. The Freshmen had one major project they were working on. It was selling T-shirts with the names of all the years in which the students will graduate.

C.S.F. And MGM Influence Campus Life

A

The California Scholastic Federation of Orange Glen High School is well represented this year by a variety of individuals. One who has been a member for four semesters during high school, including one in the senior year, becomes what is called a lifetime member, and will wear a gold tassel at graduation, instead of the

traditional red, white, and blue. Certain scholarship and federal grants are only available to those students who are lifetime members of C.S.F. All things considered, even though the benefits from C.S.F. are small while at high school, the overall gains from belonging to such an organization are invaluable.

A. California Scholastic Federation.
B. Cogito Ergo Absurdum Society.

The Cogito Ergo Absurdum Society is a new club made up of MGM students. Though it is primarily a social organization, the club aids the MGM program when needed. This year's officers include Vernon Bashaw, president; Pete Abraham, vice president; John Marker, treasurer; Sue Michaels, secretary; and Richard Chute, MGM contact. Mr. Brown and Ms. Byrne are the society's advisors.

Chorus Expresses Talent By Singing

A beautiful vocal blend and balance is a trade mark of our excellent concert chorus. The singers work very hard to perfect a wide variety of vocal renditions which they present in their annual for-

mal concerts with the band. The concert chorus also appears in schools around Escondido, to the delight of young singers who hope to participate in a musical experience some day. The Chorus is

also under the direction of Mr. Harrison, who perfects their performances by leading them in singing.

Modern Chorale Sings Their Way Through

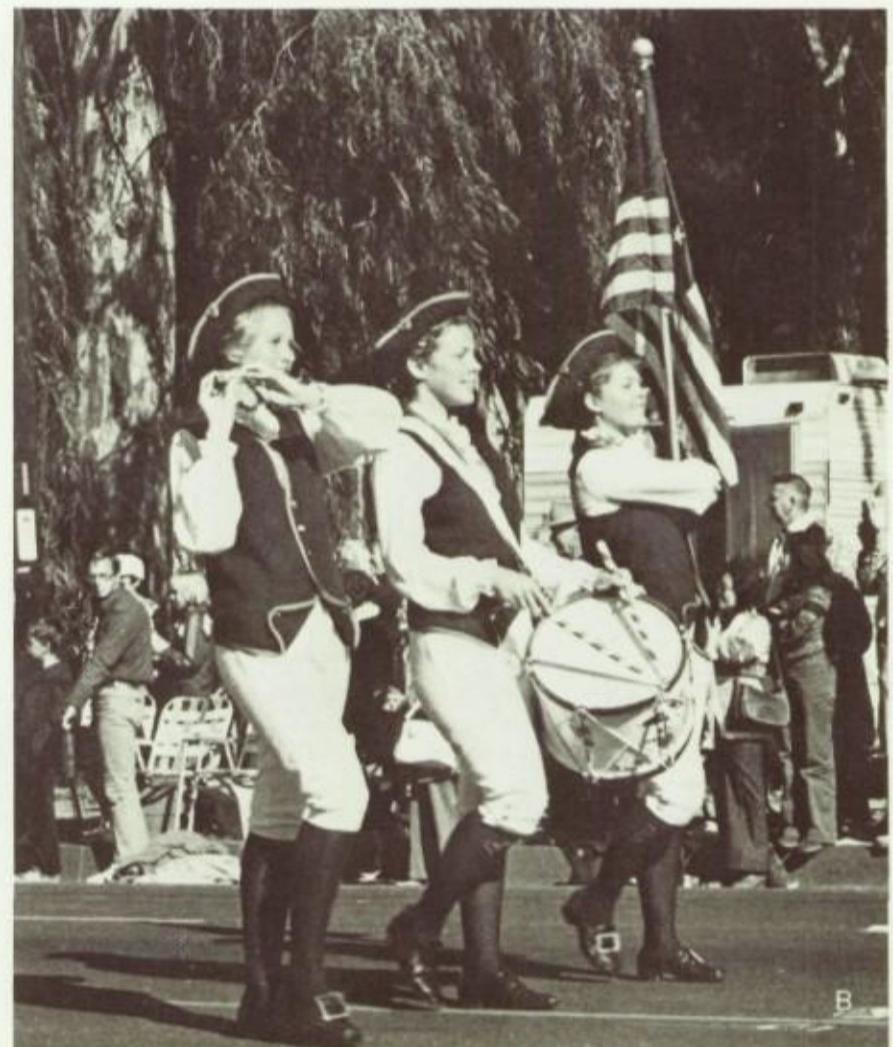

From local banquets to important appearances in the Convention Center, these talented singers are in constant demand for their dynamic performances. The modern Chorale approaches real

professionalism as their smooth style and choreographed routines delight young and old alike. The group averages 35 performances a year. A real active group, they prove good represen-

tatives for Orange Glen High School. Modern Chorale is under the direction of Mr. Harrison, who led them to a successful year.

Banner Corps Works Well With Flag Corps

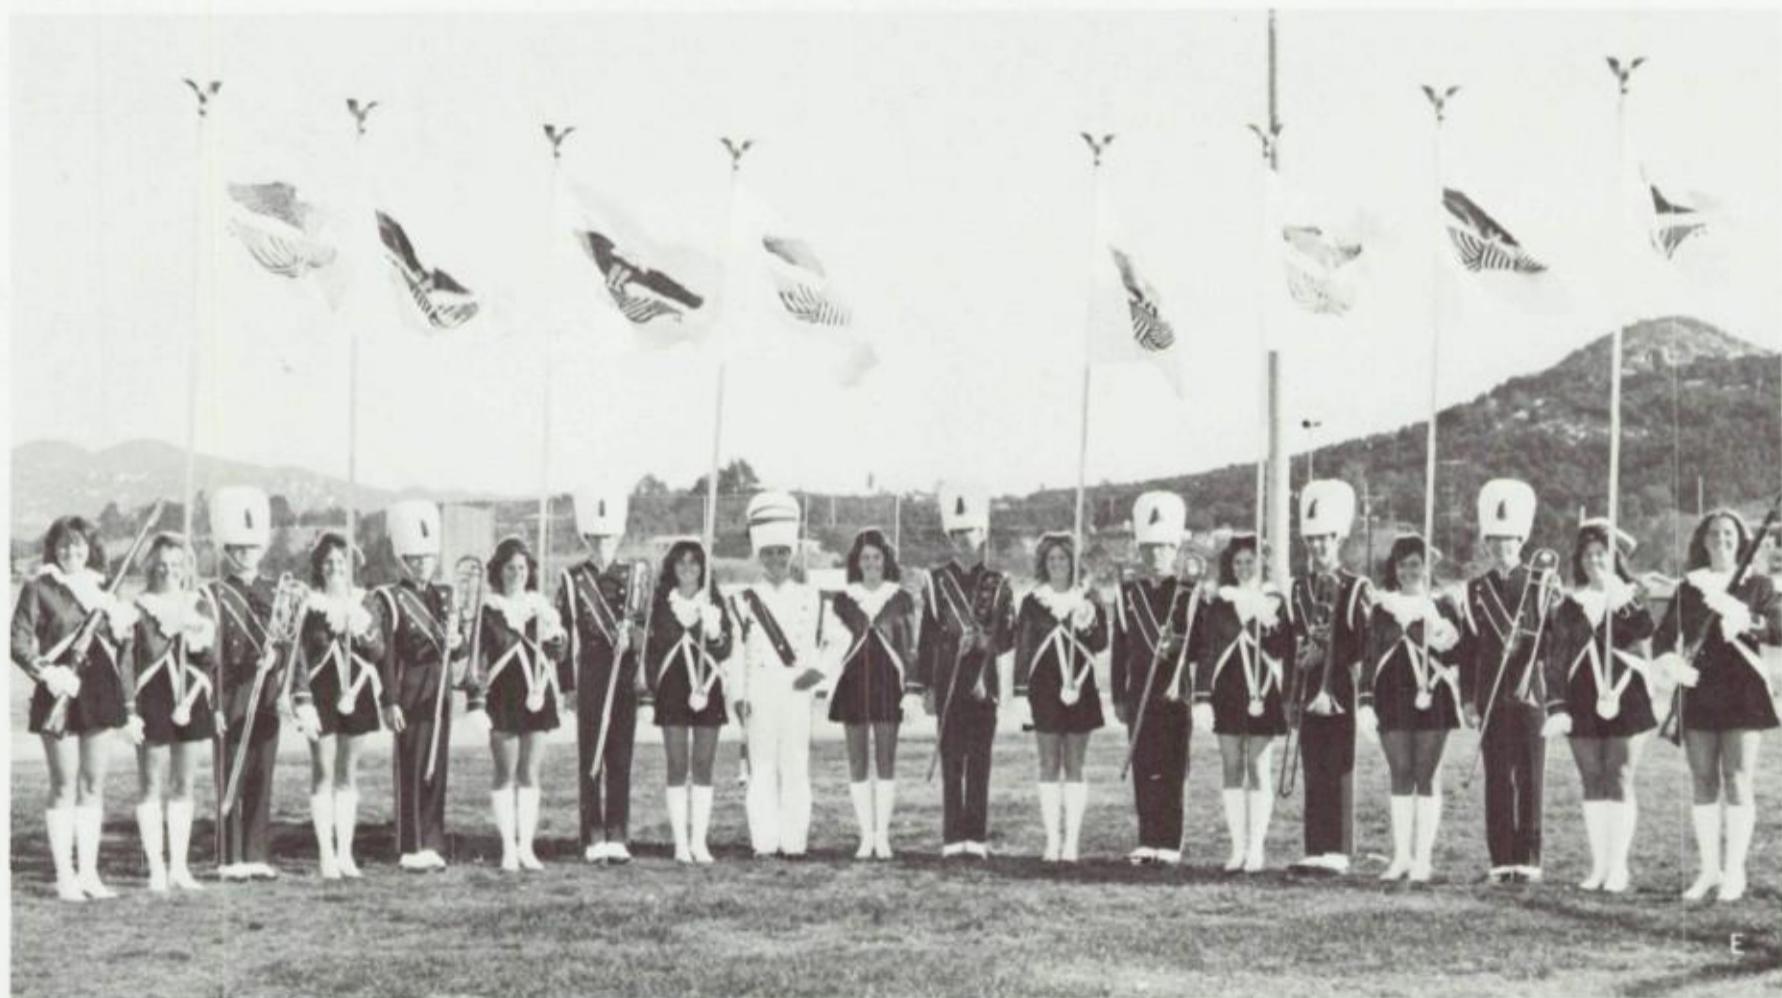

Flag Corps Dazzles Audiences

Flag and Banner Corps members grace the front and back of the fabulous Patriot Band. The shapely beauties of the Corps were picked for their attractive appearance and graceful movements. The girls always create a sensation among viewers along parade routes and in football stands. Competition for this position is very strong so everyone knows that these individuals are the very best.

The Orange Glen Drill Team of 1978 had time for fun, success and failures. The first parade was Autumn Band Review where Drill Team picked up third with a score of 93.8. The next two parades were cancelled because of Proposition 13 and the rain. The Escondido Christmas Parade was successful with the help of advisor Pam Walker, captain Julie Neilson and co-captains Barbara Bombar- dier and Cathy Jhonke.

Malamrun Comes Out: Band Is Tops

The Patriot Band once again maintained their stature as California's Outstanding High School Band. In addition to adding some more impressive Sweepstakes trophies to their credit, the Patriots were involved in another "first". They Participated in the "First Annual Holiday Bowl" in San Diego. The band appeared in front of 50,000 live spectators and over 50 million televiewers. The band presented 5 super field shows during the half-times of the home football games. We are proud to be the home of the world's most famous high school band.

Malamrun is a literary magazine that comes out bi-monthly. The stories are creative writings, poetry, and prose. Malamrun has been at Orange Glen now for six years, but recently it became an official organization. The members consist of Rose Taconi, Jenuine Applegate, Colleen Clint, Alan Needham, Editor-in-chief, and assistant editor, Julie Mersch.

Sixth Year

Yearbook/Deca

This year's Torch staff experienced much difficulty at the beginning of the year because of the lack of an editor. Originally there were three separate editors, but when this didn't work out to our expectations, we had to make a change. After much consideration, advisor Mr. Kuenhast, delegated Pam Stehle as Editor-in-chief. Appointed as assistant editors were Dave Bennett, Ginny Kansas and Margaret Salah.

Members of the Orange Glen DECA Chapter marked one of the busiest years in recent history. Their DECA Store was a success and enabled them to increase the inventory and purchase equipment for future projects. DECA members gained experience in all phases of business operation from selling to cash register operation. Social activities included Halloween party and Christmas Dinner as well as several luncheon meetings with featured speakers on business topics.

The Musket Staff Triumphs

The Musket Staff, led by advisor Bonnie Wheeler and a staff of fifteen, publishes fifteen issues in the course of the year. The Musket consists of writing editorials, feature stories, sport stories, news stories, and photographs. Because of the lack of equipment at school, the staff uses the equipment at Escondido High School, which consists of a printing press. The press also does the headlines for the paper. Besides that, all work is done by the staff itself.

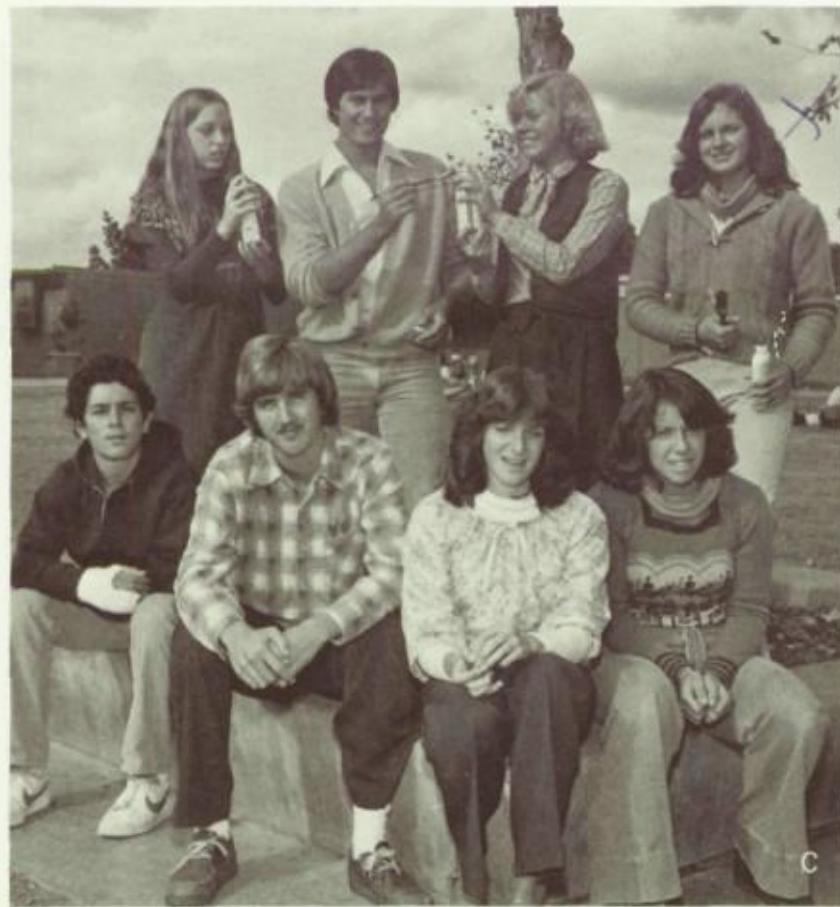

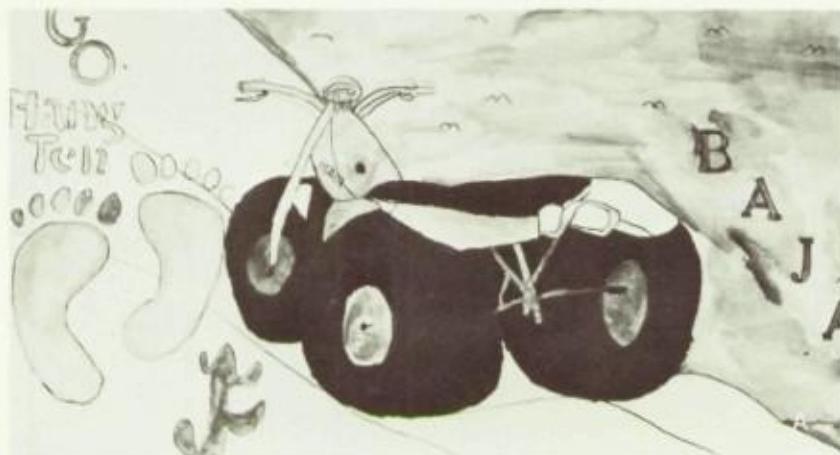

A. Musket Staff- Colleen Clint, Chris Poore, Paul Vorhol, Vernon Bashaw, Heidi Hopp, Norman Odorico, Fran Larzalere, Sandy Boldt, Kemp Wise, Eric Parker, Alan Needham, Sandy Smith, Kathy Ashby, Jim Whitworth, Janet Hilliard, Bonnie Wheeler, (advisor) Greg Sidders, and Mark Larson. FFA Keep Their Heads Up High

Orange Glen's FFA started out this year on a painful note with the loss of an outstanding member of the chapter. Karen Bose, a 14-year-old sophomore, was killed in an automobile accident on September 10th. She left a more-aware group of individuals, and a note of her high ideals and enthusiasm will always be felt.

FFA is looking forward to the

various contests in which the group will participate and to the state and the national convention, which designated members attend, either as delegates or guests.

O.G. Future Farmers are striving to maintain their perfect record of all gold awards in sectional Project Competition, a contest in which the individual is judged

Do You Remember . . . Spirit Week

Spirit Is Ours Today . . .

Cheering is a greater or less degree of good spirits that one shows when the moment is right. It is often of encouragement showing pride and joy.

Our today's and yesterday's are filled with people cheering, yelling, and laughing, because everything has its time and within this period of time it brings us closer together to inspire those that win a game for us.

Nothing great was ever started without enthusiasm. To begin, one must have spirit to achieve this goal. Without some sign of spirit, there is no team.

Dressing up is only half the fun, as many students participate during the beginning of school.

Nancy Bates, Shiela Newell, Robin Wilson, Barbara Zellmer and Ginny Kansas.

Cheerleading calls for and directs organized cheering such as at football games, basketball games and pep rallies. The cheerleaders, mostly made up of seniors, did not have too much practice during the summer because of vacations. But that did not cause too much of a problem because the cheerleaders managed to obtain a superior trophy at camp-for routines, cheers, and spirit. The cheerleaders managed to accomplish the highest pyramid ever at a basketball game with San Pasqual. Even though Barbara Michaels and Robin Woodruff moved, the cheerleaders still keep up their spirit, enthusiasm and togetherness, to be a part of Orange Glen High School.

Spirit Is Strengthened Through

The Pep Club of 1979 proved to be a spirited group even though at times there were some problems because of a lack of transportation. The Pep Club can be compared to the cheerleading squad with the expectation the Pep Club sits in the stands and participates in doing the cheers. They keep the crowd spirited and alive. Besides being motivators, all Pep Club members go to all the games. Pep Club members are given credit for painting some of the signs for the games.

Senior quarterback Doug Disney broke the CIF career passing record for his '77 and '78 seasons. Disney passed for just under 3000 yards, exceeding his predecessor by several hundred yards. Disney was also chosen as the all CIF quarterback. Other school records were broken by Disney, Joe Early, Bob LaPlant and Jack Lane.

On the offensive line, center Tony Teets, and guards Martin Hewlett and Dave Mason, paved the way for the Patriot running backs all season. Tackles Doug Brown and Brian McGowan lead the way around the outside where LaPlante and Jack Lane gained numerous yards.

This season's defensive backs did a tremendous job at keeping opposing quarterbacks to minimal yards passing. They included Joe Early, Roger Bowman, Barry Bennett and Wayne Hay.

The Pat linebackers did a great job all year. Standouts included

Craig Pulido, Doug Hagadorn, Koki "Snort" Marheine and Jack Dominguez. Jack Dominguez was hurt early in the season.

J.V. Gets Friday Night Fever

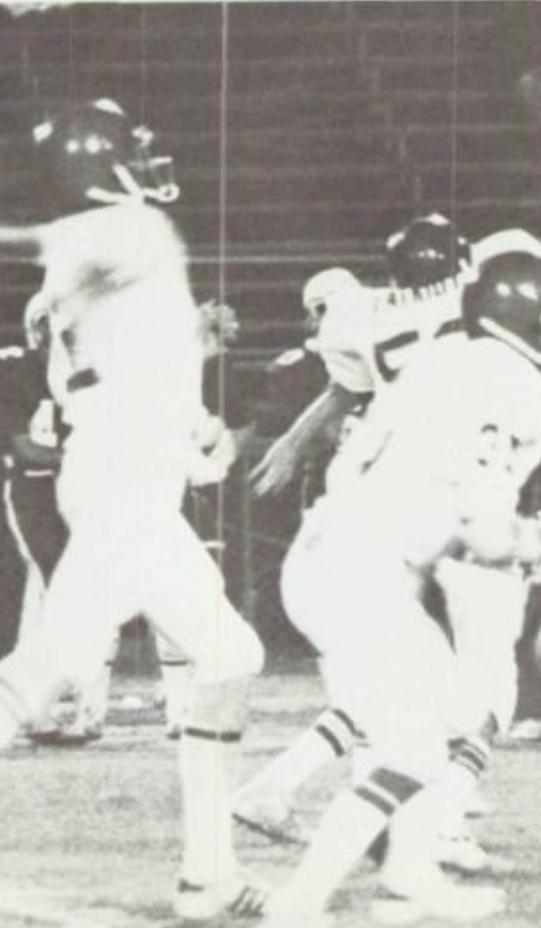

The J.V. football team finished the '78 season with a 6-1-1 record.

Their star quarterback, Sean Salisbury, threw for more than 1,000 yards.

Salisbury was greatly aided by the iron-clad offensive line which gave Salisbury the time he needed. Frank Lopez and Jesus Bautista were the two outstanding runningbacks, followed closely by John Hudson. The J.V. defense

held almost every team with the help of the rushing pressure of David Cruz. This year there were less players but the J.V. didn't have any trouble because of the all-around play of Dave Larrabee who played defensive back, receiver and runningback.

Hard Times Hit Mini Pats

This year the freshmen football team got off to a slow start. They had to practice for two weeks without equipment but did as well as could be expected with only a week to practice before the first game. David Crume and Brian La-

vine were the two outstanding quarterbacks.

David Aguilar, who showed great talent, was the star running-back. The frosh had a 3-6 record as they picked up at the end of the season.

This year, the J.V. Cross Country team didn't do as well as expected but did have some outstanding runners. Brian Aellig, the #1 runner, was an exciting competitor.

His 16.45 time against Point Loma was his best and the best time for the team the entire season.

Brian never finished less than first out of the O.G. team except for one tie with Doug Bush.

Both Doug and Brian went to the league finals.

The J.V. record was 3-3, less than expected but not bad. Seven out of 14 members of the team were injured this year. This was a major reason for the letdown in victories.

Unlike other years, the team had a wide assortment of "Superstars", including sophomore sensation Sean Salisbury. At midfield, halfbacks John Roberts and Barry Bennett controlled the ball. They did a great job and were helped out by Luis Baez, Olaf Sanden and Mike Sidders.

The defense was led by such

standouts as goalie Roger Bowman, John Vuksic, Jack Garcia, Tim Diefenback and Mike Nademlynsky. Coach Farias is looking forward to a strong defensive attack next year with Vuksic, Diefenback and new goalie, Jerry Mitchell, returning.

J.V. Soccer Sweeps League

The J.V. Soccer team did exceptionally well this year with many talented freshmen. Among the most talented were Stan Weiler, Cesar Carrasco and Jerry Tieri. Helping also was a foreign

exchange student from Brazil, Hugo Dittrich.

Gary Gordon was the leader in ball control and was the most valuable player on the team.

Pats Under New Management

The Varsity wrestling team started the season in a new way. For the first time in five years the Pat grapplers went to the mat without the coaching of Mark Karges. His predecessor, Mike Saliari, proved early in the season not only to be an able replacement, but a great addition to the Patriot coaching staff.

The Pats not only had a new coach but many new wrestlers. A total of five first-year wrestlers came out this year.

Excellent Year For Varsity Nine

The Varsity baseball team finished a successful season last year by traveling to the second round playoffs. The Patriots started this season with high hopes of returning to the C.I.F. playoffs. The Pats were the favorites to win the Avocado East title this year.

They had many returning lettermen (ten total) plus a new

group of Junior Varsity and Freshmen star players.

In the pitching spots, Greg West, and Junior Dino Gonzalas gave outstanding shows. Wes Marshburn, Bob Bruce and Sean Salisbury filled the catcher spots. Patriot star hitters are John Eldridge and Mitch Tybroysky.

Girls Sports

Each person has a unique quality about them. It may be expressed through their talents of art, making new friends, or simply playing a sport. Whatever this talent is, one puts in all they can to show their efforts. Sports is not just winning the game. It requires a person to get along with his teammates, to show sportsmanship even when there is defeat, and to be able to shake the opponents hand while facing the agony of defeat.

Varsity Tennis Serves To Victory

Coach Dave Parker led the Varsity Tennis team through a successful season this year. They finished with a 15-1 record and stand as co-champions in the Avocado League. Their only loss was to Mt. Carmel, the toughest match in the season. Every player was vital to the team and they expressed a lot of enthusiasm.

Leading the team were top players Kathy Rice, Girl of the Sport, and Jay Keele, Most Improved. The two remaining girls were Linda Melkonian and Julie Vaughn. During practice the girls ran with the boys which prepared them for the rough competition in meets. The young team developed well and are headed for the start of a dynasty as was proven with Portland Wright's 17th place in the league finals.

High Morale Keeps Team Going

Despite the number of illnesses due to early morning practices, the team's morale was high. The league competition was very stiff and the O.G. Swim Team was often the underdog. On the Varsity team, Laura Hillebrecht was voted most improved, Kathy Wyman was most enthusiastic and Lynn Baker most valuable player. She also holds the majority of the

school records.

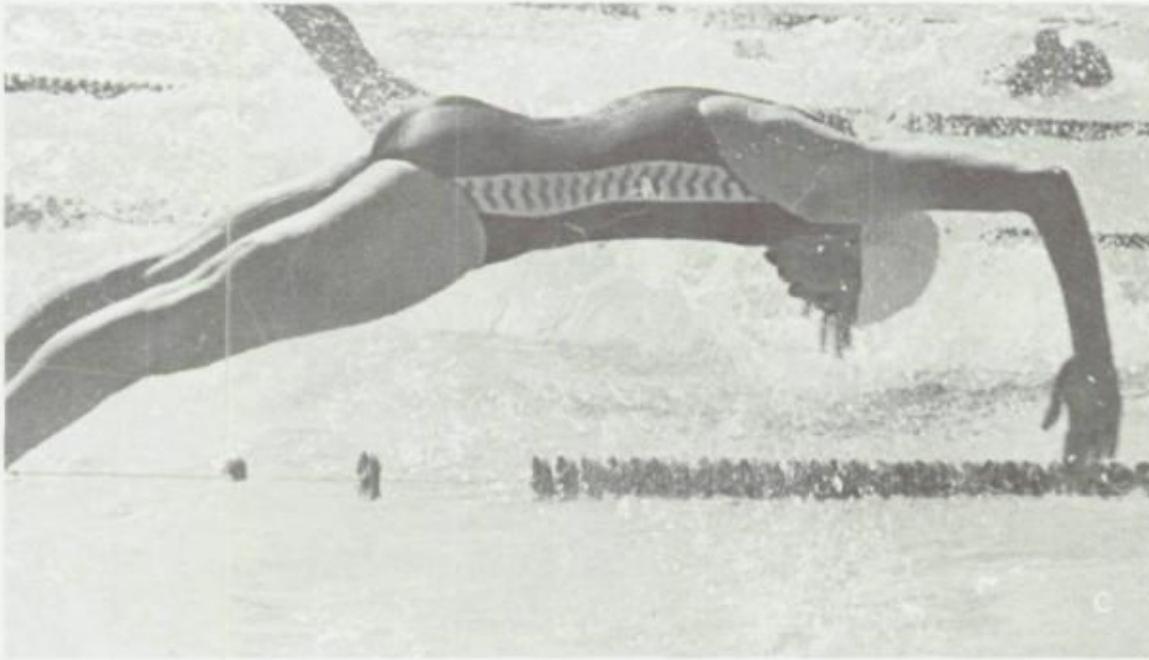

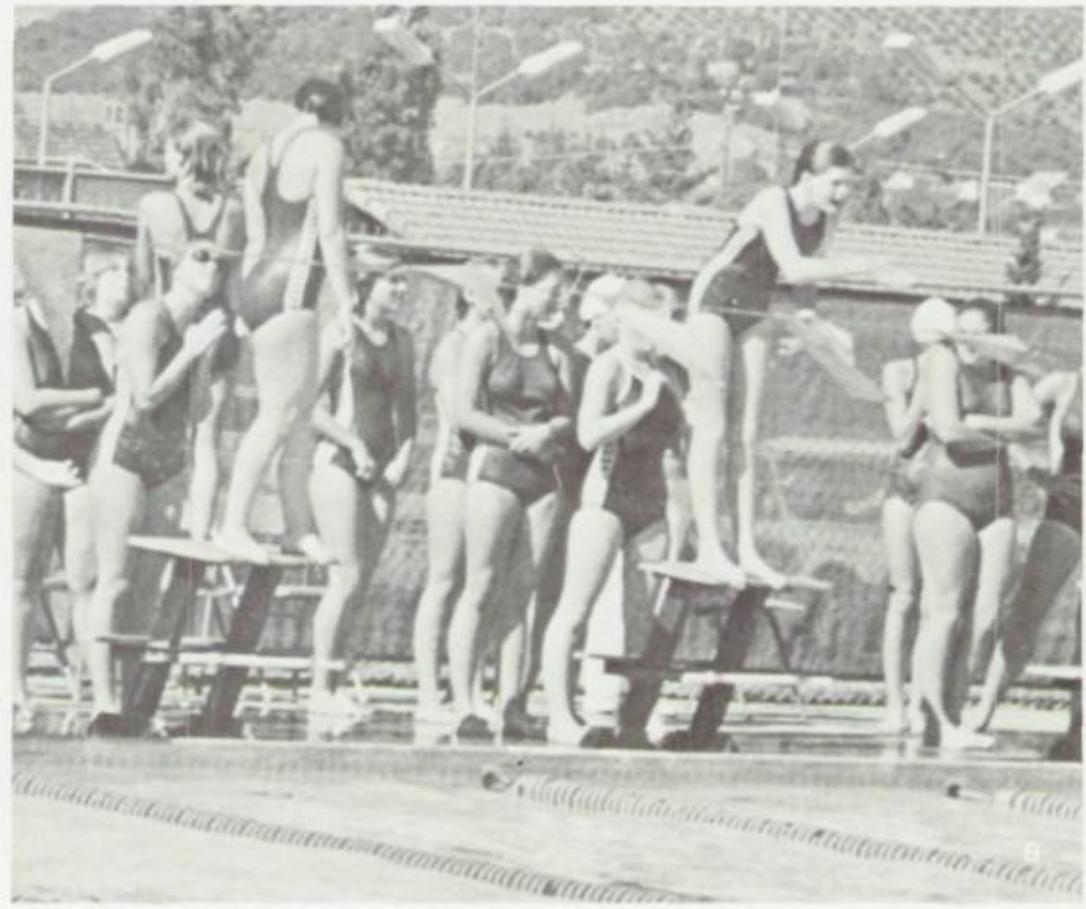

Most improved on the J.V. team was Julie Bates. Their most enthusiastic player was Christi Evans and Darla Allen was most valuable.

Your US Army Recruiter's Offer: A Skill

A skill is the art of knowing what you're doing, whether it's riding a motorcycle or fixing a tank.

The Army can teach you to know what you're doing—really know—in any of over 200 skill specialties. Everything from Accounting Specialist to Wheel Vehicle Mechanic.

We teach you in two ways. With first-rate instruction and a lot of practical experience. There's plenty of work to be done in the Army and always something new to learn. You'll have to handle it—but there'll always be someone there to back you up and answer your questions.

After three packed years of solving all kinds of problems, you could gain something rare, and yours to keep. A skill.

(Mighty Midget)

Wise
E.P.

Another year ends and some of us will graduate and go out into the "real world". As we go our separate ways in that world we'll often think back to this time of our life, possibly a care-free time, possibly not. It is our own page torn out of time.

In reflecting back over my twelve years of school I think of them as building blocks to my future. So many have helped my "grow" along the way-family, teachers, friends, and mentors. I thank them.

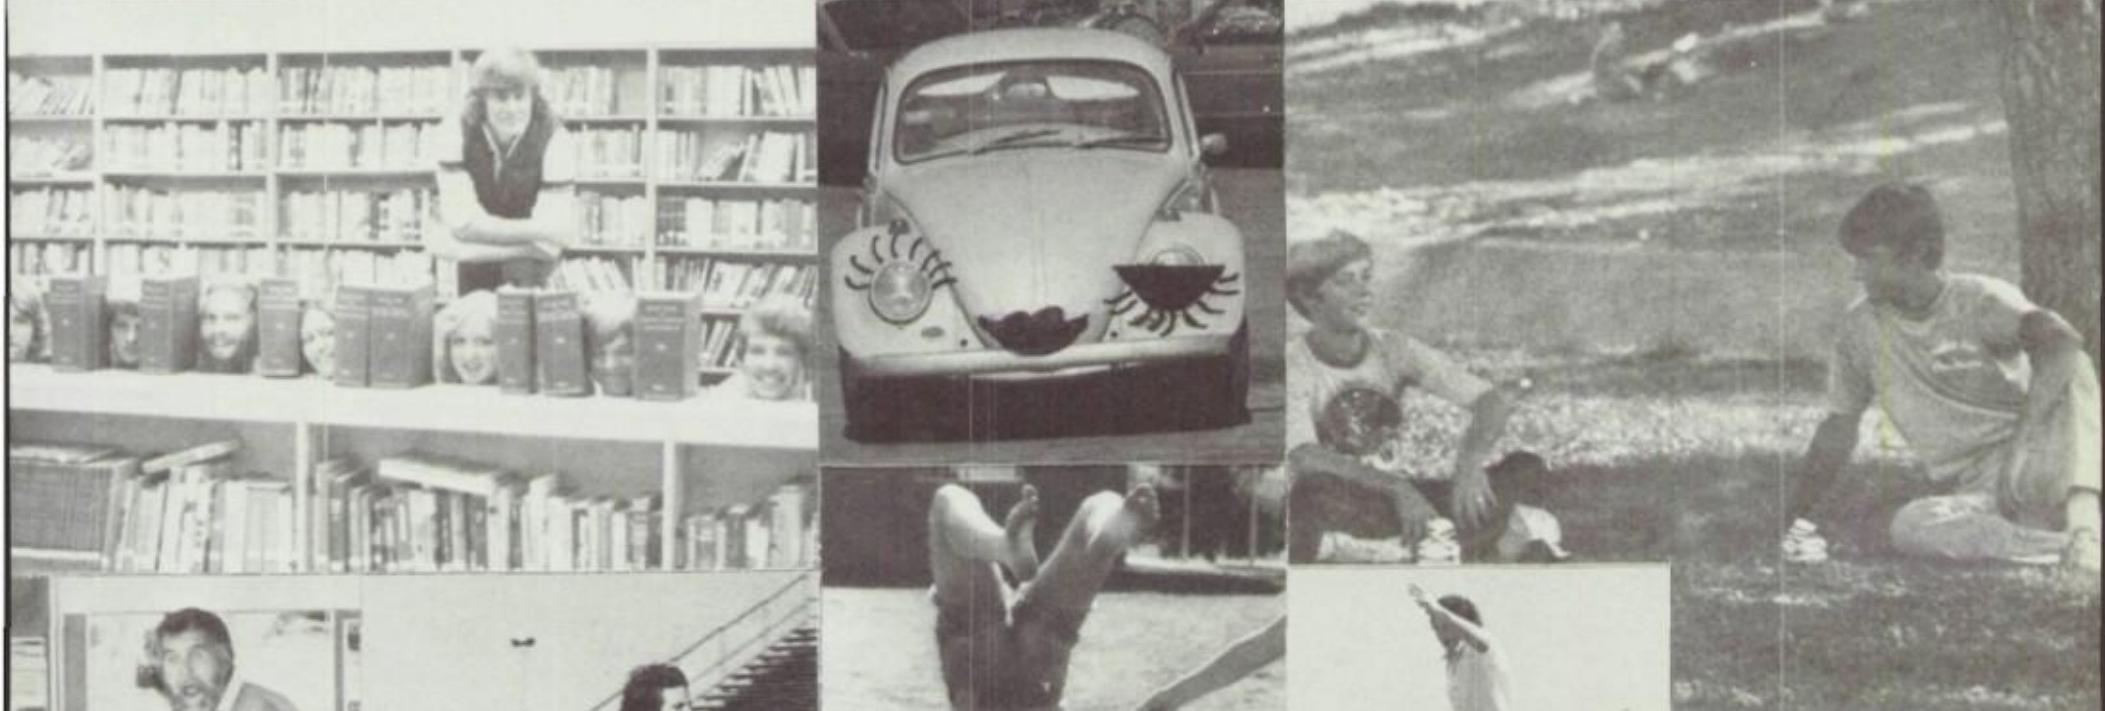

In particular I wish to thank Mr. Kuehnast, Yearbook Advisor. Little did I realize what an enormous task I had as Editor. His kindness, patience and guidance helped me accomplish that task. Thank you to the Yearbook staff. Without your perserverance it wouldn't have worked. In years to come some of us will look back to this experience as a true growing time.

To all my fellow students, whether you continue on to college or begin new jobs I would like to leave you with this thought. Many have guided us along our ways with their life experiences and they have given us tools to work with. Now we must each in our own way go build our own castles. They can not do that for us.

Thank You

Editor-In-Chief

Pamela G. Stehle
